Digital Solutions

DEAR EXCELLENCE LAB MEMBER,

We proudly invite you to our **Straumann Digital Benelux Community**. It is a great opportunity to receive different strategic insights from the Straumann Group, share knowledge, learn from each other's experience, discuss interesting and challenging topics, trends and /or cases.

The online kick-off of the Straumann Digital Benelux Community will take place on **Thursday, January 28th 2021** where we will be sharing our Straumann outlook as well as a lecture on the future of the digital denture given by Germen Versteeg. Our aim is to stay (digitally) connected in the rapidly evolving dentistry world.

#### SURVEY

In order to make sure that everybody is connected and part of this community we would appreciate your time to fill in a short survey (maximum 4 minutes). The results will be discussed during our online meeting.

Looking forward to your registration via [marketing.nl@straumann.com](mailto:marketing.nl@straumann.com) and receiving your valuable feedback about this survey.

Kind regards,

Straumann Group Digital Solutions Team
